

Honkey Bitch - Freak Rock

Press/RELEASE/BIO -
 Honkey Bitch announces the release of their newest Music
 Album - "Freak Rock" . . .

Arising sometime in the Paleolithic beat zone, Honkey Bitch has
 Decided that there is absolutely no reason to hide out from the
 Powers That be anymore. . . "We're here to light a new kind of
 musical fire under your dead butts," states the iconoclastic
 leader of the much beleaguered band.

Funk, Beat poetry, tongue-in-cheek, acid-house drenched
 blue-green dirges, and Fat girls dancing in the streets. . .

Freak Rock-

Charles R Johnson:
 Producer, Chief engineer, Mixing, Mastering, poet, writer,
 Singer (all vocals), bass guitars,
 Drum/programming, acoustic drums

Eric Hightower:
 Assistant Producer, Assistant engineer, mix consulting,
 Guitarist (acoustic, electric guitar), Drum programming .
 (all instruments on Walls of Perception)

Cover/interior/Photos Art, and Writeup: Charles R Johnson
